

A Clovelly Christmas

Christmas Eve

Arrive at any time after 2pm for tea and mince pies then settle into your room, making yourself feel at home for the next few days.

At 6pm the New Inn and Red Lion guests are invited to join together at the Red Lion and we will take those who wish to attend the Christmas service at All Saints church at the top of Clovelly.

On arriving back at the Red Lion there will be carols along with some mulled wine and canapés

and then a sumptuous dinner in the newly refurbished Harbour Restaurant.

Retire to your bedchamber for the night to await St Nicholas' arrival.

Christmas Day

Awake to the sounds of the sea and then to a Clovelly breakfast, with a choice of either a Devonian Breakfast, or smoked salmon & scrambled eggs or perhaps kippers.

Open your presents, then meet up with friends in the Red Lion lounge for a glass of bubbly prior to tucking into a full Christmas Lunch. To finish there will be a choice of puddings and local cheeses.

After lunch you are invited to join our treasure hunt around the village starting at The Red Lion and finishing at The New Inn.

Meet back in the Red Lion Bar for tea. In the evening there will be a buffet in the bar for resident guests to enjoy at their

leisure. Your host for the evening will then introduce festive games played in the village all those years ago. And so to bed.

Boxing Day

Christmas day over, it's time for another hearty Devonian breakfast.

Then to help clear the cobwebs away we will take you by Land Rover to Hobby Drive where you may happen to meet and walk with some of our local residents back to Clovelly. Chat to them about life in the village and some of its unique history. (Boots and waterproofs are advisable)

When you get back to Clovelly quay at lunch time, hot drinks will be served before enjoying a barbecue and the live music in the bar.

Finish off your day with a buffet and quiz night hosted at the New Inn at 6pm and then retire to your bedchamber for the night.

27th December

Meet for breakfast, say your farewells before taking your carriages home. To make the most of your Christmas break, stay an extra night or two. To make this an irresistible offer, rooms are offered at a very special rate.
